Congratulations to:

Jimmy Messick on his 3rd anniversary with TDM on July 10th 2009!

Construction Completed on Warehouse Building

Construction was completed on the 60,000 square foot warehouse building located at 8030 Supply Drive, along Alico road in South Fort Myers. The building, owned by CNL Bank, received its certificate of occupancy on June 29th. It was a pleasure working along side such great service providers including Heatherwood Construction, Conceptus Land Architectural Technologies, Inc. & TKW Consulting.

8030 Supply Drive, Fort Myers

Congratulations to all involved!

Holy Trinity Presbyterian Church Receives Approval

Holy Trinity Presbyterian Church received Development Order approval from Lee County for their parking lot expansion on August 6th. Jack Balentine, of Balentine Builders, has been selected to be the general contractor in charge of the construction.

Gateway Receives Approval for New Maintenance Facility

Gateway Golf and Country Club received approval for the construction of a new Maintenance Facility. ERP Modification and Lee County Development Order approval were received in July. The new building is expected to be approximately 12,000 square feet and will replace the existing maintenance building. Architecture provided by William Kyle Kitchens Architect and survey work provided by Hole Montes. Brooks & Freund will be the General Contractors for the project.

Happy Halloween!

Have a safe and enjoyable Halloween!

New Projects

Thank you for choosing TDM!

- Stevens Construction and Liberty Bank for the Florida Tropic Farms project!
- Moore & Spence for the Palmetto Court project!
- New Testament Baptist Church of Cape Coral!

Spotlight: Dean Martin

Dean Martin, P.E.

Dean Martin received his engineering degree from West Virginia University in 1988. Dean moved to Fort Myers, Florida in 1988 and received his Florida Professional Engineering License in 1997. In 2003 Dean started TDM Consulting. Dean is a licensed Stormwater Management Inspector and is currently working on his LEED Associate certification.

Dean is married and has two children. He is an active member in his church. In 2008 he spent time in Haiti volunteering his engineering services after a mud slide destroyed an orphanage. He has also been involved in several missions to Africa and Russia to help build churches. Dean also enjoys Tae Kwon Do and is currently a 2nd degree black belt.
